

Second International Conference of
IFTToMM ITALY
29-30 Nov. 2018, Cassino

CALL FOR PAPERS

The aim of the Conference is to bring together researchers, industry professionals and students not only of the Italian community from the broad ranges of disciplines referring to Mechanism Science, in an intimate, collegial and stimulating environment. The second International Conference of the IFTToMM ITALY association will be held at the Department of Civil and Mechanical Engineering of the University of Cassino and South Latium in Cassino, Italy.

Conference Topics

Papers are welcome on topics related to the aspects of theory, design, practice and application of the Mechanism and Machine Science, including but not limited to:

- Biomechanical Engineering
- Computational Kinematics
- Dynamics of Machinery
- Gearing and Transmissions
- History of Mechanism Science
- Industrial and Non-Industrial Applications
- Mechanism Design
- Mechatronics
- Multibody Dynamics
- Robotics
- Rotor Dynamics
- Tribology
- Vibrations

Honorary Chair:

Alessandro Gasparetto (Chair of IFTToMM Italy)

Paper submission proceedings

Authors are kindly invited to submit original full papers with maximum length of 8 pages in Springer format. Instructions will be available in the conference webpage. All accepted and presented papers will be published in a Scopus indexed book of the Springer Series *Mechanisms and Machine Science*, with the title: Advances in Italian Mechanism Science - Proceedings of the Second Conference of IFTToMM ITALY. Best Paper awards will be given in categories of Research, Application, and Student Work. A selection of presented papers will be invited with extended version for a special issue in the International Journal of Mechanics and Control (www.jomac.it) affiliated to IFTToMM Italy

Venue and Transportation

The Department of Civil and Mechanical Engineering (www.unicas.it) is located near the centre of Cassino in Via G. Di Biasio, 43 and is a 15-minute walk from the railway station. Cassino can be easily reached by:
Car - Cassino is on the Roma-Napoli motorways (A1).
Train - About every hour a train from Roma to Cassino.
Airplane - The nearest airports are in Roma and in Napoli.

Location

Cassino is a modern town since it has been completely rebuilt after the destruction during the World War II and it is well known for the Montecassino Abbey. Cassino is located just below the mountain where the Montecassino Abbey is situated within an industrialized area. In November the weather is fine, sunny temperatures above 15°C.
